## President's Message

*Hello Everyone,  
I would like to take this opportunity to thank you for electing me to be your President again for the coming year. This is the last time to hold the position. I would like to thank each and every member for all that you do for the Guild, while not every member is as visible as others, you are all a valuable asset to our Guild. I'm asking you, the members of our Guild to get behind us, support us,*

*and the Guild functions that we promote. Our officers are asking members to join committees. We are still in need for someone to take over the advertising position. We need to toot our horn and let the media know all the worthwhile artist accomplishments of our Guild and let other artists know why we are proud to belong to NCAG, a great organization, building relationships, collaborating with artists, learning more about art & artist and trying new media. Having fun and bringing*

*attention to our group makes it worthwhile and helps us educate our members at large. A special thank you to Pixie Adams for giving us the opportunity "to get our art out there", hopefully selling some of our beautiful paintings. We have many exciting events and workshops coming up, so hope to see all of you involved. See you in April,  
Shirlee Lind, President*

We are always on the lookout for ideas for demos and workshops to keep our members inspired. If you want to see something in particular **let us know**. If you have a skill you want to share **let us know**.

**Beyond any benefit** you might see as an artist the act of viewing art can have its own.
