Moonlight Coffeehouse is a special place. Its mission: Creativity, community, coffee. Moonlight opened its doors (and walls) to North Clackamas Arts Guild members, offering us space for our artists to show their special talents and honoring the Guild's 25th birthday. Saturday April 21st was a party! The owners, Pixie and Angel, went all-out with media, photography, food, music.

NCAG was presented the Community Art Award in honor of 25 years of dedication to our local art community. And the prize for most unexpected event of the evening, a Vice President who shall remain unnamed immediately dropped the award whereupon it became a thousand shimmering fragments. Moonlight graciously replaced it with a poly-acrylic version which, according to Angel 'you can drop as many times as you want'.

Thank you Moonlight Coffeehouse. You live up to your mission.

President's Message

*Hello Everyone,
Let me start out by thanking you for electing me as your President for another year. I am grateful that you have faith in me to conduct your monthly meetings accordingly. I will do my best to better our Guild with the help of our new board members, committee members, and the help & support of you as well to maintain a successful Guild.*

We continue to have the need for a volunteer to help with the advertising position. This can be easily accomplished with more than one person. So let's double up and prepare information to the media by working closely with Guild committee's highlighting the Guilds participation in any events, shows or workshops coming up during the following year. Simple as that ! A big thank you to everyone that helped volunteer your time at the Art Extravaganza Saturday April

14th. Many members attended for the demonstrations, workshops and trade show. It was another successful year for everyone ! If you missed it ,be sure to mark your calendar for 2019, it's an event that should not be passed up. Until I see you at the May meeting, stay safe, healthy, and active in your your Guild.

Thanks Shirlee Lind

Critiques, an integral part of the process

[due to limited time during meetings please bring just one or two paintings per person]

April 2018 critiques

Please do not bring more than one or two paintings for critique to allow time for all to have quality feedback. We are limited by time.

Images are cropped to remove the surroundings and to show just the image as much as possible. We try our best to include everything and give correct attribution. Contact webmaster@ncartguild.com if a correction is required.

Why show your art?

Beyond any benefit you might see as an artist the act of viewing art can have its own. According to the rubinmuseum.org "It is believed across all traditions of Tibetan Buddhism that the act of viewing artworks can be advantageous to one's spiritual and physical wellbeing."

Calling all Artists!

NCAG member Connie Emmons serves on the board of the Happy Valley Public Arts Committee. In that capacity she invites our members to apply for consideration in the Street Banner project. This summer, the City of Happy Valley seeks to add decorative banners to

streetlight poles along Sunnyside Rd. from 152nd Ave. and 162nd Ave. Banners will feature local art and be rotated quarterly to reflect the changing seasons.

The City invites residents of Happy Valley and Clackamas County to submit their seasonally-themed artwork and graphic designs for consideration as banner art. Artwork must be submitted by May 15. Click [here](#) for complete details and submitter application.

We endeavor to provide a comfortable environment in which artists can learn and benefit from each other's skills, knowledge, and methods.

Attending our meetings is a great way to meet fellow artists – plus you can bring a painting or two and have a friendly critique of your art work. This makes for a great learning experience! Monthly demos are given by some of the best Portland area artists and should not be missed. Questions are encouraged during the demos. They are a great learning experience.

Classes and Workshops

In addition to the FREE demos given at our monthly meetings we also provide educational workshops throughout the year with a reduced tuition to NCAG members.

Locations to be announced prior to event. See our calendar [here](#)
