### Calling all Artists!

Arts Alliance is hosting in conjunction with eNRG Kayaking, We Love Clean Rivers, and the End of the Oregon Trail Interpretive Center. This art exhibit will be on display at the Visitor Center at the Interpretive Center as part of the Wild & Scenic Film Festival that is coming to Oregon City on June 2 in cele-

bration of the 50th anniversary of the Wild & Scenic Rivers Act. Artists of all ages are invited to join the celebration by exhibiting artwork and competing for the opportunity to win one of six \$100 cash awards! For the exhibit, we specifically seek watercolor and acrylic paintings and photographs that depict or interpret Willamette Falls or the Willamette or Clackamas Rivers.

More details at June meeting  
From Pam Davis: Gallery wrap canvas needs no frame but be sure to paint the edges of the board. No glass on oil paintings. Dust paper on the

back needs slits to allow the painting to breath. This paper cover is essential if there are paint smudges showing on the back of the canvas as it can be seen from the other side of our frames.

Be sure to put your business card & a designed card with the painting information, artist & the price on the back of the frame

"She was a wonderful artist and loved to do portraits of family and friends. She mostly did acrylics and especially loved to do colored pencil. One time I brought her a bouquet of Zinnia's since she was living in an apartment and didn't have access to flowers and the next time I saw her, she gave me a colored pencil painting she did of them. I cherish that artwork. Prior to her retirement, she did design work and illustrations for books for children and adults that were written by her friend Doris Sanford and they worked out of their business in Milwaukie.

Gracie and I went to the Portland Art Museum several times together and I really enjoyed being with her. She was a kind and wonderful person". Sharon Payne

We endeavor to provide a comfortable environment in which artists can learn and benefit from each other's skills, knowledge, and methods.

Attending our meetings is a great way to meet fellow artists – plus you can bring a painting or two and have a friendly critique of your art work. This makes for a great learning experience! Monthly demos are given by some of the best Portland area artists and should not be missed. Questions are encouraged during the demos. They are a great learning experience.

### Classes and Workshops

In addition to the FREE demos given at our monthly meetings we also provide educational workshops throughout the year with a reduced tuition to NCAG members.
