## 2D BACK OF ARTWORK REQUIREMENTS

Delivered artwork that does not meet our criteria may not be exhibited

### GENERAL NOTES

- All artwork should be clean and in good repair, inside and outside.
- Attach securely to the back of each artwork your contact information, and the title of that artwork (a business card with your title written in works well)
- We use an ARAKAWA Hanging System; our hooks must fit through your rings.

### REQUIRED HANGING HARDWARE AND WIRE

- **HARDWARE-** Must be D-rings or similar (with at least ¼" free opening in ring)
- D-rings must be securely attached with screws (NOT nailed) to each side of the frame (NOT inside panel)
- **WIRE** must be picture hanging wire (either mesh or coated), double-looped 2x through D-ring before winding back around hanging wire

### UNACCEPTABLE BACKS OF ARTWORK

- **NO** screw eyes, screws, sawtooths, mesh cords, electric wire, fishing line, etc.
- **NO** hardware attached to back panel of artwork
