## President's Message

Hello Everyone,

With the extreme heat and poor air quality, we managed to have a good attendance at our Aug. meeting.

A big thank you to Barbara Seliner helping with pricing art work. Her knowledge and advice should be helpful with the annual Art show coming up.

Thank you to Suzie, from Clackamas County Arts Alliance for explaining the 2019 Art Exhibit program. I hope many of you will take advan-

tage of this exciting program as a way to get your art displayed throughout Clackamas County. I have participated for many years as have other Guild members . A free opportunity for everyone just by signing up on line. How easy is that?

Volunteer sign up sheets will be passed around at Sept. meeting for Art Show. The more members involved, the more successful our art show will be. Remember, you don't have to be a 'Rembrandt' to enter your work! The public looks for a

wide range of art and you might be the one with that special painting.

Thank you everyone that participated and attended the grand opening of Moonlight Café at their new location. A special thank you to Jerry Schmidt and Kathy Conrad who took the time to get our Guild involved. Many of us took the opportunity to paint a board for the display fence next to the Cafe'. Jerry will keep us posted.

## Revolving Art

The Guild looks for opportunities to show our members' art. If you have a public facility and would like some fine art on your walls, let us know and we will work with you to provide art on a rotating schedule.

Sherry Joiner is showing through August at Oak Lodge Water District  
 14496 SE River Rd, Oak Grove, OR 97267

### Why show your art?

**Beyond any benefit** you might see as an artist the act of viewing art can have its own. According to the [rubinmuseum.org](http://rubinmuseum.org) "It is believed across all traditions of Tibetan Buddhism that the act of viewing artworks can be advantageous to one's spiritual and physical wellbeing."

have members with knowledge, experience, and motivation to share with others. That is evidenced by the number of member-led workshops and demos and the wealth of information shared during our meetings.
