President's Message

Shirlee Lind

Workshops are so inspirational, truly a great value and learning resource. Access to other artists and differing views expands our thinking.

Hello Everyone,

With Christmas past and the New Year here, we should take time to reflect on things we are thankful for. In addition to family, home and health, I'm thankful for the opportunity to help others.

We had 35 cards made by our members for the seniors through Pioneer Community Center who receive Meals on Wheels. The cards were not only creative but also beautiful! Great job!

I would like to remind everyone new officers will be installed at our March meeting. You have two months to be thinking about becoming an officer or board member for 2019. Please give some serious thought to contributing your time and effort for your Art Guild. Please don't depend on the other person, we have many members with great potential, so please get involved. There are many new and exciting activities to enjoy for the coming year. With everyone's participation things will be more pleasant and much easier. I look forward to seeing you at the January meeting, until then... Happy New Year!

President, Shirlee Lind

The members Voted...and excitement ensued!

There was a great turnout of marvelous work for the Annual Holiday In-House Competition. We apologize that we could only identify a portion of the submitted artwork and apologize if we got any wrong. We identified as many of the members as we could. It's a good time to remind you that signing your work is a good thing to do. Thank you all for sharing your wonderful work!
