President's Message

Hello Everyone,

What a great feeling it was to be back in our meeting quarters at King of Kings Lutheran Church. We had a great turnout for our May meeting, and we needed almost all of the chairs! We do have room to grow, however, if you have a friend or associate who would be interested in learning about our community of artists, invite them to check us out!

Several of us were pleased to have a conversation with the Pastor at King of Kings regarding their social outreach with the local homeless community. We were assured that the presence of only 3 vehicles will occur in the far parking lot, and would be present outside of any hours we use the property. They are working with the County, and will have their own garbage and sanitary facilities. I wish them all the best in helping these folks into a better living situation.

We have purchased a small portable public address system, that we will introduce in the June meeting. This should be a benefit to the hearing challenged, who have told me that voices get lost in the meeting. It is adaptable to use outside, such as for our July meeting. I think it is going to be a big benefit to the Guild!

Thank you, President Betty Kellogg

Workshops are so inspirational, truly a great value and learning resource. Access to other artists and differing views expands our thinking.
